“ Eddie and I practicaly grew up together. I can not remember a time when I didn't know him.. To make it even more fun as our daughters were growing up (preschool) they were nearly the same age and attended Harriman Pyblic Library reading time together. He and my brother, Brad, played many games on the basket ball court on Margrave St. I had not seen Eddie in a number of years but have always thought of him with great fondness. My sincere condolences to all who loved Eddie

“ I am so sorry to hear of Eddie's passing. I never saw him when he was not upbeat and positive. I think the last time I saw him he was excited about some new cooking knives he has just gotten. Such a pleasant memory. May memories comfort all who loved him.
