“ I was very blessed to know Micheal as long as I did working with him at the airport for 5 years. Always had a smile on his face and always in an upbeat mood. I have been looking around the past few days looking for Mike to be walking around and joking with us all here at the airport. Was something I just got so accustomed to seeing. The airport is a much lonelier place without him being there, but I know my Lord Jesus Christ had a great plan for Micheal and of course will continue to have a great and glorious future for him in the next life. I can't say I was a real close friend, but I truly miss him so much and it feels like I was a close friend. That's how great of a person was. I know for a fact I will see him again when God restores all of our bodies and the earth and universe as a whole in the next life and I will make sure I say hello to him and cut up with him just like we did at work. I miss you buddy.

“ Michael was my friend and my neighbor. Of all the people I have ever met in my 50 years of living on this planet...Mike was true, he was a GOOD person. I am proud to say that I was a small part of his life and he was a big part of my life. I know that whatever God has good to give to mankind Mike is truly deserving...because he was and is a good person. And the world is a better place because he lived in it. To April, Haley, Michaela, and all the Goins family all of you are in my prayers. RIP Mike you will never be forgotten. Love you man.

“ I saw Michael just a few weeks ago at the airport. I always looked for him each time I was coming through TYSON. He always greeting me with a smile and hug. Michael and I knew each other because he would work part-time at UT football games and he was assigned to my section. He was a great guy who adored his children. Everytime I saw him I would ask about them. This guy would glow when speaking of his daughters. I am saddened to hear of his passing. His smile was one you could never forget. I will keep looking for you but I know God has you covered. I am glad to have known you and glad I was able to see you one last time a few weeks ago. God Bless you and your family, friends and colleagues. Rest In Peace!

“ Mike was the guy you could always count on to have a smile on his face and an uplifting spirit.. You couldn't get by him without a handshake and at least a "How's it going today." Mike will be greatly missed at the airport by everyone that got to know him. There has been a huge void there the last few days knowing he's not there... That void will never be filled and will continue to be open with his spirit and great memories. I can only hope to be as good of a man as Mike was. I truly hope to see him again one day in a better place than here... One day we will all ride together in the gates of heaven.. my prayers are with the entire Goins family as they deal with this situation. God has truly gained a great man , ans the world has his memories. God Bless you all.

“ I worked with Micheal at the Harriman Police Department. Micheal was always full of smiles, joy, laughter and love. There was never a dull moment when he was around. Micheal was on the Harriman Bike Patrol along with several other assignments at the P.D. I don't know how he ever got any riding in because he stopped to talk to everyone, strangers included. Actually, I don't think Micheal ever met a stranger. I remember the time a vagrant tried to stab him while on the Lon Mee bridge in Harriman. Thank the Lord and a trauma plate, his life was spared. That was a terrifying moment but Micheal did wonderfully along with his fellow officers. I remember ever holiday Micheal was flagged in at folks houses to join in on a hot meal. I'm talking 5-10 different houses. Everyone loves him. As long as I've know him, I can honestly say, I never heard anyone say a harsh word about him. not many people can say that, but Micheal was one of the special ones. He'd dropped whatever he was doing to help someone in need. He was a peacemaker and hard worker. And he adored his family. I pray that the Lord comforts all friends and family during this very difficult time. May Micheal's precious memories live on forever. Thank you Micheal for your dedication and sacrifice. Love you always -Jess

“ There will never be another like Michael Goins. Working with him @ the Airport, I will miss him jumping off the elevator after it appeared to be empty. I will miss him asking me if I was gonna do anything today. I will miss him being my assistant & answering the Airport telephone. I will miss his jokester ways. I will miss watching him get a kick out of shining his flashlight at people from the "mote." I will miss his stories about his girls. If you didn't know, little Debbies & Kool-Aid were his favorite, not coffee & donuts like other Cops. I will simply miss his presence, because his kind heart, sense of humor and contagious smile could brighten anyone's day. As his legacy lives on, may we each be encouraged to live life like he did - to the fullest, enjoying every moment, and ALWAYS with a smile! I'll see you on the other side, my friend!

“ Heaven truly gained an Angel 05/10/2014. Michael had a contagious smile and a heart of gold. We are honored to have known him for so many years. There is a void in Roane County now that will never be able to be filled. If we had more people in the world like Michael it would be a better place to live. Our thoughts and prayers are with the Goins family. RIP Michael. You will never be forgotten and we will see you again someday.

“ Micheal was definitely one of a kind. He had this smile that you could not help but notice. It did not matter where you saw him or what was going on, he was for sure going to make you smile and laugh before you were done talking to him. He just had a sense of happiness about him that was always obvious to see. He loved him family more than anything in this world. My heart is hurting for the Goins family. “ I'm still in shock and can't believe I'll never see his smiling face again. He was a special person that touched so many lives in his short years. There is not anyone that can say anything bad about this man. He loved his family more than life itself. I will miss those famous words of his "Laxton, let me borrow a dollar until pay day!" As someone said yesterday on Facebook, if he'd gotten a dollar from everyone he asked, he'd been a rich man! He was rich with friendship. Charles said when we found out, we're not going to get to fly that plane together. They joked about that constantly. I'm praying that all of the family can find the peace they need to get them through this. Love to each and all of his sister, brothers and especially Twinkle! He love you so!

“ I remember Micheal as the skinny kid in the fourth grade who was one of the first to befriend my son, John, when we moved here in 1982 and remained his friend. I remember being amazed by how much he had bulked up when he came back from the Marine Corps training camp. Our whole family loved Micheal and through him got to know the rest of his family and to love you as well. We are so saddened by his passing and the world is a little grayer because of it.

“ We have lost a great man. He was a brother, a friend, a son, a father, but most of all he was a roll model to a lot of people. He would put others before himself, didn't matter if he knew you or not because he never knew a stranger. I wish I would have taken my son to meet him when I had the chance but time wasn't on our side. I owe my everything I have to him, if it wasn't for him there is no telling where I would have ended up but he put me and my life in order and kept me there. But Now He's Up In heaven with his wings watching over all of us and keeping us all in line. He is with us everyday everywhere we go. Keep his friends and family in your prayers.

“ I first met Michael in the mid 80s when I managed the Sonic Drive In. He was just a youngster who like to hang out there and he became my good buddy. We lost touch after he left for the service but when he came back he was still good ole Michael. I guess that is the best thing about the guy is that if you were once his friend you were always his friend. As parents our daughters played ball together and the guy loved his kids more than anything. Although I live in Lenoir City now and only get back occasionally he was always a friend when I saw him. I will miss him very much... there truly are not many people like him. To April, Haley and Michaela I hope you trust in God to heal your pain. He obviously needed an angel and he got one. Although we are sad now we will rejoice with him again soon. RIP Michael.
