“ I was so saddened to hear of the loss of your mother. She was such a sweet, dear lady. I hope and pray that you are given the strength to get through this time of sorrow, and even in times to come, may you find the strength to get through the anguish of missing her so much. You will all be in my thoughts and my deepest sympathy goes out to each one of you. Time does help to heal your pain, but always hold those memories close to your heart.
