Millie was a very dear friend as well as a classmate in the class of 1994 of Madisonville High School. Many sweet memories of her. We shape our lives not by what we carry with us, but by what we leave behind. With condolences for the loss of someone whose generous spirit touched so many.

Nancy Brackett - October 20, 2020 at 05:27 PM

Kim and Tammy, I am so sorry for your loss. I loved your mother! She was one of the sweetest parents I ever had. and I loved all that good candy she would bring in. She always had a sweet smile on her face. I'm sure you two inherited all of that. You two were precious in school. God bless both of and your families.

Millie was always a help to me in the Registers office. She went beyond the duties of her job and definitely showed she wanted to help. My sympathies to all the family
