“ *Our family was so blessed to have Aunt Dolly in our lives and for so long! I remember Aunt Dolly"s quiet laugh and smile. As a child I looked forward to our family visits where all the kids played outside while the adults sat in the shade and laughed and talked. So many good memories. Aunt Dolly was the last of her siblings and she will be missed and remembered lovingly.

I will always remember fondly our trips to Harriman to visit Aunt Dolly, Uncle Cleaty and our cousins. One of the most memorable things was the tiny biscuits she would make for breakfast. I am not sure what she used to cut them out but I could swear it was a baby food jar or something even smaller. They were always very good in spite of their sizes. She was my favorite aunt and I will miss her very much. I only wish we lived closer so we could have visited more often. Our deepest condolences and prayers to Jeanetta, Jimmy and extended family.
