“ Gloria, Lillian, Tammi, Michael & Family,  
Just wanted to let you know I am praying for comfort for all of you at this time. Years ago your sister and mom played a very special role in my life and I will always remember her for that. She was one of the sweetest ladies I ever knew. I loved her soft voice and sweet smile! May the peace that passes all understanding be yours in the days to come.

Love & Prayers,  
Amy (Robinette) Gamble

“ Mike: I certainly remember your mom and how she was always 'there' for you when we were growing up in Kingston. I was always amazed how "strong" a person she seemed to be, even in the difficulty she had back then. When I return to Kingston, I will stop by and see if you are still in Kingwood Homes. It would be nice to visit with you. My # is 865-681-6832. Call me and let me know if we can have dinner or something !

Sincerely  
Philip...Flip!!!
