“ I always loved Aunt Jane and loved being around her and all the family. She always had a smile and the most positive way of looking at things. I wish I could be there. All my love and prayers are with all of you.

“ What a fun-loving lady! She welcomed my sisters to her home so openly when we were children. And, our encounters as adults, although sporadically, were always very special. I pray that my cousins, Aunt Jane's children, and their children and grandchildren will find comfort in a life well-lived! Blessings to all.
