“ From the Systers at the University of Tennessee, we would like to let Catherine Schuman and the her entire family know that you all are in our continued thoughts and prayers.

John 1: 1-4

Do not let your hearts be troubled. You trust in God, trust also in me. In my Father's house there are many places to live in; otherwise I would have told you. I am going now to prepare a place for you, and after I have gone and prepared you a place, I shall return to take you to myself, so that you may be with me where I am. You know the way to the place where I am going.

“ Thoughts and prayers go out to Kelly and Kim (and their families). Missy was always around for us when we were growing up. I'm glad that my daughter had a chance to meet her. So many memories of basketball road trips, bus rides and hanging out at her house. She will always be remembered. She was a great person and wonderful role model for all of us girls. She will be missed. Wish I could be there in person Kelly!

“ I chose the golf ball on the tee on behalf of all your "Golfing Boys". You were a mother to them all. You are a valiant lady with a heart as big as Texas. This world is a better place because you blessed it with your presence. Now your star is giving off light on the other side of the veil. We will miss you our dear sweet friend. Tell those on the other side that you bring our love, be at peace our precious one. It is not a time to say good-bye, but just we will see you soon. Families Are Forever and Friendships Never End.
