“ I am so sorry to hear this news of Mona's passing. She has done contract work for the company I work for, Master Containers. We have become friends over the years. Recently I have been sending her coupons to help out with expenses. The week before Thanksgiving I also sent her a gift card from Winn Dixie to help with Thanksgiving. I have been trying to find Mona by phone, e-mail and went by her apartment twice today. When I got back home I told Beth in customer service had i couldn't find Mona. She googled Mona's name, then we found out. I am so sad at the news. Mona was so talented and she always exceeded on each task given. Mona' spoke of her family often with great affection. Her trip to Europe was definately a highlight of her life.

I will remember Mona fondly and wish her much peace.

“*Mary, Buddy, Dina and Jill,
I am so sorry for your loss of Mona. She was a talented young woman. I can remember babysitting for you and that Mona and Dina giggled more than two little girls could. They never wanted to go to sleep and I was told that everyone was to be asleep when you got home. Sometimes it took bribery on the girls part. I remember Mona and Dina keeping the sidewalk hot between our house and Grandmother Bonnie's with bicycles and just running around. She as your daughter and sister and her talents will be terribly missed.
Prayers to you in the days to come.*

“ *I'm sure we met before but my first memory of Mona was around 3 or 4 years old. I remember Mona, Mary Mac and me. Either some sort of Day Care situation or a cage fight, don't know. We had a blast. The thing I remember the most from that meeting is Mona's face, that smile and those eyes. Beautiful. That is what you see when you would see Mona. Happy, mischievous, mad, scared, ornery, determined, or kicked back, the smile and the sparkle in the eye was never far away. And after a lifetime together as friends, for me, it never will be. Hard to believe that these next minutes or years will be without Mona keeping the herd together. I'm thankful for the artwork we have and thankful for the friendship and memories. Mona, you were one of a kind.*

“ *Mona brought beauty to everything she touched. Heaven just got a whole lot more beautiful! The Lord blessed her with incredible talent and until we see her again we can take comfort in the paintings of the evening skies and the morning sunrises created by her master teacher as a reminder to all of us that we are here for just a little while and he expects us to live like Mona, using the talents he gave us and spreading the joy and laughter that Mona brought into a room. Dina, darlin, my heart goes out to you. Know that you are in our prayers be strong and lean on the promise! Mark*

“ I have awesome memories of Mona Jackson and there are way to many to share.

We have been friends for many, many years! I am going to miss her not only as a co-worker but as a friend and her calling the office or video chatting! Just yesterday I was watching some video footage and photos and caught myself smiling and crying! Mona was an extremely talented artist and I have not met anyone yet who could be compared to her ability. Mona Jackson thank you for helping me make In The Field Magazine what it is today. I love you to heaven and back.

“ Oh, Mona! A beautiful light in our world has been extinguished, but I know that you are shining BRIGHT and BEAUTIFUL as one of God's newest and most creative angels. Heaven has just gained one heck of an artist; I'll notice your influence whenever I see a beautiful sunset. or gorgeous sky Thank you for brightening our world while you were here. Until we meet again ... Love, stacy.

“ Buddy, Mary, Dina & Jill,
We are both saddened and still in shock over the news of Mona's passing. I have so many great memories of time spent with Mona. Most include time spent in the studio out back. We had so many great times out there. Mona did a collage page in the 1975 Annual which was also included in the 1976 and I had it out last night looking at all the things she had included. Each little drawing has so many special memories. Charles and I are praying for the peace that you all need in your loss.

“ The family is in my thoughts and prayers. May love, peace and comfort surround you and beautiful memories remain in your hearts.

Mona and I reconnected after thirty some years and it was as if no time had gone by.

I spoke with Mona two times last week and she and I were laughing. I have spent many visits with Mona over the last six months and we always had a fun time telling stories of when we grew up together. She was a great friend and I will truly miss our phone conversions and visits.

Heaven has gained a truly special and talented person.

“ *Mona was a joy to be in a class with, or just eat lunch with. I don't think I can ever remember her not smiling or finding the humor in everything. She took her art seriously, but as her work often showed - it was her joy, her passion.*

Well done Mona, your big smile will be missed.

“ To the Holley family and to the Jackson family, you are in my prayers during this most difficult time.

I'm so sorry for your loss. It was such a shock to hear of Mona passing at such a young age of 56. Mona was my friend and my cousin. My father Rufus Houston "R.H." Ladd (Mona's Grandmother Lucy Jackson's brother) also passed so many years ago at the age of 56.

Mona visited Jill in Houston several years ago, she gave me a call, so we all met for dinner. All three of us were in much need of some good old girl talk and laughs. Mona had the most wonderful laugh.

At our 10 year class reunion, Mona took time and sketched every senior picture from our Class of 1975 Annual. I still have mine, and I treasure it.

She was one in a million.

May God Bless You.

*Respectfully,
Sharon Ladd-Hutson*
