“ I don't know if the Edwards family remember me but Nancy made a great impact on my life when I was a child. She and her wonderful family lived down the street from us. Nancy was not only our neighbor but also our crossing guard. She would stop traffic outside and make sure my sisters and I got across the busy road every day do we could walk to school. This time of the year at Christmas she would make us all cornflake Christmas wreaths as a Christmas treat and we LOVED them. I think of Nancy every year at Christmas because I make cornflake Christmas wreaths for my kids every year. I am 41 now and my children are teenagers but they know why I make the cornflake wreaths every year and it's all because of Nancy. My thoughts and prayers go out to the Edwards family. I had been online today while I was making my cornflake wreaths and was looking to see if Nancy might be on Facebook when I came across the obituary and my heart sank. Heaven has truly gained an angel.

“ *Nancy was a beautiful woman with a heart of gold. She exemplified courage and strength and always had more concern for her family than herself. She spoke often of how God answered her prayers by bringing her Alan, the love of her life. It was my pleasure and honor to help care for Nancy. The light of her life will continue to shine bright through her family and the many hearts and lives she touched.* ”

*“Perhaps they are not stars, but rather openings in heaven where the love of our lost ones pours through and shines down upon us to let us know they are happy.”*
