“ *My dear Neida, I will miss you so much! Your smile, your sense of humor, your gentleness and kindness. There was such a sweetness about you. We had so much fun when I came to Tennessee. We shopped till we dropped...all of our fun stores. Always had to eat at CrackerBarrel restaurant which was one of your favorites. Things will never be quite the same when I come down from now on... because you won't be there. I look forward to seeing you again when I get to Heaven and hope you're waiting at the gate with all our family members who have gone on ahead. I take comfort in the fact that you are in the presence of Jesus and have now seen Him face to face, and I know that I will see you again, my dearest sister-in-law. I will always love you, Rose.*
