“ *My prayers to all of you. Nina I loved. We made wonderful memories working together at the video store. Lots of laughter together and with friends. After we closed the store we would get in our cars, Nina going first me following all the way home. Our houses were beside each other. So Blessed during those times together. I will always have you with me. Thank you my friend. You lived a great life and I am happy to have been a part of that life. Esther*
