“ *Debbie, Porter, Mike, Gail, Shay, and Billy,*
I was so upset that I was away and could not attend the services for Jean. Jean, and each of you, were in mine and Chaz's thoughts everyday since we found out about the results of her tests. I so wanted to bring Audrey and Gage over to see her before she passed on. I had a terrible feeling that Jean would pass before we got back. It happens so fast, time flashes before us. My heart is so sad. But I am happy that she has gone to her true home to be with Jesus and her family. No more sickness, nor pain, or crying. Complete serenity and happiness. I know we will see her again. I know she is an angle and is watching over all of us, especially you all.

I have so many happy and funny memories from being raise together on Lane Hedgecock Road. So many good memiores created from being brought up together. I cannot count the times I went back and forth from our house to yours and also going up and down the hill and steps that used to be there.... everynight after we all moved across the street!

Audrey told me she was so upset that Jean died and that she cried and it made her really sad.

I hope to see you Porter, and you Debbie, in Church soon.

If you need anything please call me, I will always be there to listen and talk about good times and any hard times you are having in adjusting to Jean's absence.

Chaz and I will be over to bring our wedding and honeymoon pictures for you to see.

I love you all,
Teresa (and Chaz).

“ From all of us in West Tennessee & North Mississippi, we extend our condolences to the family of Jean.
Her smile and warmth were always a welcome sight whenever we would come to visit or at Shiloh church each mother's day.
Her presence will be missed tremendously, her graciousness and love will be remembered forever.
