“ To the ENTIRE Kegley family, I send my thoughts and prayers during this time. I do not know any of you other than Drew's wife, Amanda. I am friends with Drew's wife and I feel like I know Drew through just hearing Amanda talk of him! Amanda tells me of what a WONDERFUL MAN her husband, Drew is, and for Drew to be the man he is, I figure his Dad MUST HAVE BEEN ONE GREAT MAN to raise a son such as Drew!! I lost my father just a year and a half ago myself, so I UNDERSTAND what you are going through! PRAYERS FOR THE ENTIRE FAMILY of THE LATE MR. KEGLEYS!

“ Paula, tony and drew. My thoughts and prayers are with you all. It's hard losing a parent but with the Lords help, we make it through it. One funny thing I remember about your daddy. He was staying with us in Kingsport when he was working at Hardee's and he came home one day and said his boss got upset with him that day because he had accidentally picked up salt and pepper and covered the apple pies with it instead of sugar and cinnamon. We thought that was pretty funny. Thought this might bring a smile to your face

“ Wayne (as we knew him then) & his wife, Norma were our neighbors in an on-base housing duplex when we were both in the Air Force at Turner AFB in Albany, GA. in 1964-65. They were great neighbors and great friends. Wayne loved his big black car (Chevy?) and I still have memories of him spending so much time washing and waxing it. We had 4 boys at the time (had the 5th while we were still there, and I was sent TDY for 60 days the day after he was born), so I don't know what we would have done without their help! RIP, friend . . .
