“ Tony, Lee Ann, Dusty and David, I just wanted you to know that Uncle Raymond was the key person in finding my horse for me when I was 13. Life was turbulent for me during that time. In many ways he was the person that connected me to a lot of love and calmness because I then spent so much time with Grandma at the farm. I thanked him the last 3 times I saw him for that and let him know how very important that he was in my life. I hope to be there tomorrow but Tennessee is still a difficult trip for me because of missing mom so much so I'm not sure I'll make it. Please know that you are all in my prayers and in my heart. I would think Uncle Raymond was very tired from being sick so today will be joyful for him to be free and loved so much by God and by those he loved so much left to carry on. A kiss and hug to all of you. He was so blessed to have such wonderful children. Much love, Kay

“ I am sorry for your loss. Raymond was a sweet man I enjoyed working with him on several real estate matters. He always tried to give me a hard time and I always tried to give him one back.

“ Leeann,
I am so sorry for your loss. David was lucky enough to meet your dad a couple of times though I was not. If there is anything I can do for you all you have to do is ask.
