“ *My brother, John Nelson, and I went to Sweetwater High School with Oldia's sons Pryor and Hugh and found that she and her husband had raised their children to know all about God, and how we all should serve God's commands. I know God will reward her and give comfort to all the Watson family. She was a blessed Lady!*

“ you were a special lady, loved the years I worked with you, loved the "creative" gifts you made at Christmas time, and you knew how to get out of cooking when we had our night shift "dinners" (LOL), you were a friend to all, thought of you many times over the years.

“ Every one of my early memories of being a new RN and coming to work at Sweetwater Hospital involve Oldia. She was one of the most fun-loving, hilarious, and beautiful women that I have ever known. I know that Oldia is taking that sense of humor on with her and lighting up her eternal home.
