“ I had the privilege of meeting Oscar in 1968 at my first job with Joe E. Henry and Co. CPA's. Oscar was one of the nicest persons that I have ever met and although I have not seen him in 40 years, I have never forgotten him. I appreciate the helping hand Oscar extended to me as a young accounting graduate just starting a career. Oscar treated everyone with kindness and respect and he was liked by all who met him. Oscar led by example and his family can be proud of the contributions he made to society.  
If there were more Oscar P. Taylor's in this world, it would be a better place.  
I know he will be deeply missed by all who knew him.
