Pam Sibley was a loving wife and mother who loved her grandchildren dearly. Pam was a devoted follower of Christ and loved her church and church family, she was the treasurer for the Vonore Baptist Church WMU for many years, actively supporting their missions and local outreach activities. Pam traveled to New Mexico many times on mission trips to the Navajo Nations. Before Pam's health deteriorated, she was an avid hiker, she thought nothing about hiking with her church friends twice a week, hiking 14 to 16 miles per hike. She loved God's creations, the mountains and waterfalls, in-fact Pam probably visited every waterfall in East Tennessee and North Carolina, this was her happy place. Everyone loved Pam, she made an impact with everyone she meet and they all loved sweet Pam.

What a great tribute in pictures. I graduated with Pam we became friends in 9th grade. She loved her family and freinds and always went to bat for them. She will be dearly missed. Haven't been able to see her in person since highschool but we were fb freinds.

“ *Pam was sweet and a wonderful friend. ❤️ my favorite memory of her was when she invited me over for supper. She cooked a delicious meal and after dinner we sat on her back porch talking. She was a good listener and very funny. I loved her heart for others. I know she will be missed by so many, but she is more alive than she's ever been! Thank you God for your mercy and love of my friend Pam, and bring comfort to her family and soul mate Allen Sibley.*

“ *Was with Pam and Tammy Smith walking into building of WMU conference where there was an escalator. Pam decides to go down the up escalator. Well, let me tell you, I think she didn't realize what she was getting into. To get to the bottom, she had to run faster than the escalator was moving up or it would steadily take her back towards the top. Was quite hilarious watching her because she struggled against that escalator from taking her back up but I believe she finally was able to get to the bottom.*

“ I loved seeing Pam and Allan at church with her granddaughters. They loved snuggling with her, and they were so well behaved. They kind of substituted for my grand kids living far away. Pam always showed love to others. We enjoyed being together, and celebrating birthdays (or nothing) over a lunch visit. She became my "adopted" daughter through those visits. I'm really going to miss our sweet times together. Malinda Felgenhour

Pam was just a fantastic person. She loved her family and friends with her whole heart! Pam was very happy and loved to cut up with Allen and others too. I remember her inviting me over for dinner and she was a good cook!! Most of all she listened to her friends and I enjoyed sitting on the back porch listening to her stories about her Mom and Dad and kids and grandchildren, but especially how she met her soul mate in Allen Sibley. She will be missed by all who knew her but to Quote Billy Graham.

When I'm gone don't be sad because I'm more alive than I've ever been!! Pam is more alive than she's ever been and Praise God for his mercy and love for her!
