“ Jim----I know that these are troublesome and trying times for you. Keep focused on God and surround yourself with good Christian friends. Pat was well loved by friends in the community and everywhere. Whenever she cooked a ham or something she would bring my lab dog the bones and leftovers. She loved my lab dog. She will be missed but everyone can see her in Heaven again, someday. That will be a glorious homecoming. Thanks for all she has done in our community and State and along with you. God Bless everyone.
Amen

Our hearts are so sad at the passing of your beautiful Patty. We so admired her love for all of you and her heartfelt dedication to helping others with special needs. We will always fondly remember the special occasions when we were with her. We still have a cherished gift that she gave us when we left for North Carolina --a visible reminder to us of her beauty and a valued friendship. We were blessed to call her our friend!
