“ *Patty was simply one of the best people I know. She was kind, caring and compassionate. Quick to listen, always willingly to help. I worked with Patty for 18 years and I watched her live her faith daily and love her family deeply. She was a huge inspiration to me. I will miss her friendship, guidance, wisdom and her quiet strength of character. A beautiful soul gone too soon but not without touching so many and leaving those of us who knew her better for it.* ”
