“ My precious little Mom (I always called you my "Little Tiny Mommy), i know you are at peace now with the Lord and you're not hurting anymore. I am honored to have had you for a mother. You taught me so much and instilled in me the qualities that I need to make me a decent, honest and caring human being. I miss you dearly, but I often remember what you told me in June, "You have to let me go, Debbie. I am ready to walk the streets of gold with Jesus. I find comfort in your words. I will see you again one day. I love you, Mom.
