“ *The Piano Man*

Evan is in my heart always. He was the most loving and kind brother. He was blessed with a wonderful wife of more than 20 years. I know how much he loved his family. His wife and his children were so blessed to have him as their husband and father. I was so very lucky to be his sister. My brothers talents were so huge and beautiful. I nicknamed him the piano man when he was in his teens. I always thought that he made a piano-get up and talk to you. Such a wonderful musical talent. Evan had the voice of a truly God gifted man. I miss him so much. I miss just knowing that if I had ever needed anything-he would do the best he could for me.

“ *Linda and family, I am so saddened to hear of Evan's passing. Please, know that you and your family are in my prayers. I was a classmate of Evan at OHS. Evan was always a happy person and could always bring a smile to everyone. Heaven received an Angel. I have comfort in knowing that Evan was a Godly Christian.*

God has a reason for allowing things to happen.... We may never understand His wisdom but we simply have to trust His will.

“I will always remember the GREAT talent God gave Evan. He was always so sweet to take time at our family reunions and show my handicap grandson how he played the guitar and he would sing for Simon. Evan was multi talented.

Most of all, I will remember him by his gentle ways. He was always very kind and respectful to his Granny and to me. As far as I know, that is how he was with every one.

I will miss this fine young man. I am thankful that he is truly free from all the things of this world that he struggled with

“You were gifted and blessed with musical talent and a beautiful voice! I remember you getting your guitar out at one of our family reunions and all the kids sang along. You left us too soon Evan but we know that God is in control. You will be forever remembered and sorely missed! John 3:16
