“ I'm sorry for your loss, please know you are all in my thoughts and prayers. Uncle Paul was always very kind to me. As a child I remember him always giving my siblings and I money to buy candy. He would always say "Come hug my neck" when ever I had a chance to see him. When I was an adult he gave me a beautiful watch he fashioned from wood. That watch was and is a treasured gift that reminds me of his talent and generosity. Uncle Paul was a wonderfully skilled wood worker. I will remember him as a kind, God fearing, generous man. I will miss him.

The very 1st Bible I ever had came from Paul. It was a little red New Testament Bible and there is no telling how many of those he gave out to kids like me. The world lost a truly Godly man. My prayers go out to the family!!
