“ Bill & family, I just wanted to express my deepest sympathy to you all. I always love hearing the stories Mother would tell about Joyce and her driving when they were growing up. Joyce was a great friend to my Mom and always there for her. She will be missed greatly.

“ Bill & family, What a blessing Joyce was to all who knew her. She was special in many ways. She was one of my first students and a great student aid. Helping others was also a special talent but no one could render music like she did. Our paths crossed many times over the years and we caught up on family news. I will miss her. May God give you comfort during these coming days. You will be in my prayers.

“ Bill and family- Just wanted to let you know I was thinking of you all. I'm so sorry I was unable to make it to the service, but you were in my prayers. Joyce was a very talented person. My earliest memories where of her and her mother singing at Glenlock. I pray that God will comfort you during this time. I know she is definately singing with the angels now.
