“ *My beautiful momma, I miss you and daddy so much. We were lucky enough to have had the very best parents in the world. I love you more than I ever told you but I hope you knew. Until we meet again.*

My mother, was her sister, Bonnie Jo...If this email can be relayed to any member of the family that would be willing to communicate with me, I would greatly appreciate it! I can be reached at the above email address. My parents divorced when I was very young, and I need to make contact with my mother's family! If you are unable to pass this message to any member of the family, would you be so kind as to let me know that also. Thank you for your kindness.*
