“ Bob, Penny and Cindy,
What a beautiful tribute to Peggy, she was one of a kind, this world would be a better place with more people like her. I cherish the time I spent with her. She did so much for people that was never known, that is the way she wanted it. I admire the love and support in taking care of her, and knowing her pain is over. To honor Peggy would to live life to the fullest as she thought us.

“ Kathleen , Cyndi and Bob and family,
I am so saddened to hear of cousin Peggy's passing , My heart goes out to each and every one of you. I will surely always remember her frank sense of humor and telling it just like it is attitude . I remember she used to get such a laugh when I would remind her how Aunt Mary and I were picking blackberries and a storm came up and we were running for the farmhouse and i stepped in a groundhog hole and spilled all my blackberries! I know you all have such wonderful memories , as do I .
May God's Grace and Glory shine into your hearts as you remember such a wonderful person. My thoughts and prayers are with you all.
God Bless. Anne.
