“ Kim and Mark, I was so sorry to hear of your loss of your mother. You all were such delightful neighbors. Peggy would usually come over after school to catch me up on the latest news of town. I hope you two are doing well. I moved back to Klingston a few years ago. Love to both of you.

“ Always loved Peggy! We always caught up with each other while in Food City :-) I worked for Bill for several years. My husband took his position at TVA when your dad retired. I think of Bill often and will miss seeing Ms. Peggy in the grocery store.

“ Sorry for your loss. Your Mother was a delight to speak with ever time I was fortunate enough to run into her around town. Kingston and the residents here were truly blessed by her sweet, kind, joyful soul. She always made the day brighter when you encountered her. She will be missed. Prayers for comfort and healing for you all.
