“ *Harriett and family,*

Our hearts and prayers are with all of you. I know right now you are hurting but I pray God will not only be your comfort but also your strength.

Your mom and dad touched many lives through their unselfish giving and work to help individuals with special needs. You have been carrying on this cause just as you have taught your children to do. Because of them my son lived a full life and I will always be grateful for that. So take pride in the fact that their dedication and love for people with disabilities lives on. What a wonderful legacy to leave!

*Love and prayers,
Vicki and Ron Blanchard*
