“ Growing up, you were my friend, not my uncle. I am so sorry or lives got so far apart, it was hard to even see each other. You were a sweet person and I will always remember that. I hope the LORD is letting Elsie make you a pone of her wonderful cornbread. lol. Elsie always made things comfortable and always had something good cooking. And I know she loved us all in her way but you were her baby and now your with her again. God Bless and Keep you for the rest of eternity and we will all meet again someday.

“ Randy was always a good person with a grin on his face and laughter in his heart.. When all the cousins were growing up in South Harriman we were very close, because our parents made sure of that by visiting with one another.and keeping us close. Time moved on and we all went our separte ways as our parents died and we made our own lives. I love everyone of you, even if I don't see you often.

“ Cookie was one of the most thoughtful, generous people that I have ever met. He will always have a place in my heart and will greatly be missed by many. He always could make you smile, and he could also make you so upset. However, Cookie never wanted you to be upset with him. He could always give the most sincere apologies.

“ Cookie:

I will always remember your sweet smile and your jovial attitude when I worked at the Sonic (many yrs ago). Unfortunately, our paths have not crossed much after those yrs, but I will always be thankful I had the opportunity to meet you and call you my friend. You will be missed!!

“ Cookie was a wonderful man. He spent many of days and hours at the gas station i work at. I will remember all the stories he told me. I will remember all the smiles and laughs we shared. He was a fixture there. You knew you day was not complete till you saw that red ford with the gold license plate saying "cookester" pull up. We would talk for hours and he would stay till after close to make sure i was safe. He always said "Will talk". And i know someday we will again. He is one man that i will never forget. We all loved him. I am thankful to him for staying till close and being a dear friend to us all. My prayers go out to his family. He had a great heart and an infectious laugh. Thank you cookie for all the laughs. Will talk..

“ Cookie was a good person. I have known him in passing since I moved to Harriman, but had conversations with him after my daughter went to work part-time at Lee's Food Mart and he would be there visiting her. When she was robbed at gunpoint he made it a point after that to be there with her when she had to close so he could make sure it wouldn't happen to her again. He cared about people and had so many stories to tell. I know you, his family, will miss him greatly. A lot of people are going to miss Cookie.
