“ Guy, we know that when you entered into heaven that your Dad, and our Cody met you with open arms. They probably did not expect you so soon, we are still all in shock and unbelief that you are gone. Little Abby handed Teresa her cell phone yesterday and said "call Guy" even at 19 months old, she knows that you should be home to love on her and Wyatt. Little Wyatt, is lost, he said that his tractor tire on his trailer was not working, he needs his papaw to fix it for him. You are so missed, and always will be, we loved you and will take care of Teresa and the family. Heavens Gain.....

“ shocking and unbelievable to hear the saddest news that Guy has crossed over to the other side. Randell Guy and I started work for the TVA on the same day 4-30-1980 in the same organization at Watts Bar. We worked closely together during our early careers sharing our good times and not so good times, starting families and watching them grow. We started different career paths in 1988 we did not see each other often but stayed in contact keeping up with each other and the happens in each family. This is very hard to write with all the joyful memories of Guy flooding my mind. Guy was the BEST person you could ever want to know. Guy will truly be missed by everyone. My prayer and thoughts are with his family and loved ones, god bless
