“ *Randy was one of a kind. His carpentry skills were truly a gift. His talent always amazed me.*

*Every time you were around him, you knew you were going to be laughing. I loved listening to him tell a tale. He always had little sayings that would crack us up.*

*Best memories are when we were growing up. Randy, Tony, Mitzi and I would make little “boats” out of sticks. Then spend hours following them down the creek on the farm.*

*We’re all going to miss you, cousin, and the smiles you gave all of us.*
