“ Those we love remain with us
For love itself lives on,
And cherished memories never fade
Because a loved one's gone.
Those we love can never be
More than a thought apart,
For as long as there is memory,
They'll live on in our heart.
Ms. Shirley and Teresa, May all the beautiful memories of your
father/grandfather help to ease your grief and bring you comfort in
your time of sadness. You are in my thoughts.
