“ To Patrick's family, I am so sorry for your loss. Patrick was not just a security guard to us he was part of our family. He was always there when we needed him and always ready to listen if we had a problem. He was way more than a title, he was our friend we will never be able to replace him . But he will never be forgotten . He holds a place in all our hearts and so do you all . He would tell me story's about his family a just light up when he talked about you all it made it feel like we knew you too. To him, you were everything I just wanted to let you know that which I'm sure you did anyway. You are all in my heart in the heart of people at Kroger. Thanks for sharing him with us. You're a friend always martha monday

“ Your absence leaves a void that can never be filled. You had a way of making everyone feel seen and loved, always ready with a listening ear. The memories we shared will forever be in my heart, and I'll cherish them always. Though you may be gone, your spirit will live on through all the lives you've touched. Your wisdom, your laughter, and your unwavering love will continue to guide me. I'm so grateful for every moment we had together, and I'll carry your memory with me always.
