Oh my beautiful mamaw! I SO wish her grandkids was in the video!! But goodness she was beautiful all her life and I told her every time I saw her and she would just laugh and call herself “old woman” ☐😭 She never looked 91. I hope I got the good gene and age as gracefully and beautifully as she did. She knew how to take good care of herself. This is where I get my girly-girl things from. I remember doing her hair, makeup, painting her nails, rubbing lotion on her feet. She took pride in her appearance even at 91. Heaven got their most beautiful angel now! I love you, Mawmaw ❤️

“ *Heaven has gained a beautiful rose. Words aren't enough to express how much you mean to me. Our lives are better because you were a part of them. Our hearts rejoice because you're forever in them. Our souls have found peace because we know you wait for us. I love you, Granny.*

“ Oh Mamaw 🥺 I miss you so much already. I have dreaded this forever. You were the BEST mamaw I could've ever asked for. You are the reason I ran to Jesus. You're who has inspired me to the wife and momma I am today even though I could never compare to you. You are who brought me to Jesus. You have loved me through my worst times. The times I was horrible. You've forgiven me for the times I was hateful. You've loved me through it all. I don't know how to do life without you. You're my reason for.... Everything. What to do I do? I know how full of joy you felt touching the face of Jesus and seeing your baby boys again. I am so glad you're out of pain and can breathe again. I feel you with me.. everywhere. I know you're with Maddie, Kenzie, Kylie, and Maci too. I can't wait to see you greet me at heavens gates some day. But for now, I will continue to love you and these babies will always know what a perfect angel you was and even more so today. I LOVE YOU TO THE MOON AND BACK!!!!!! Big slobbery kisses 🥰🥺🥺🥺🥺
