“ Becky was a beautiful person! She was too young to leave us, but she is no longer suffering. She will smile down on us from heaven!

“ My heart is very sad today as we begin the final journey for my dear friend Becky. Becky and became friends our freshman year of high school. She was always a member of my family, and I was of hers. We have shared many memories over the years. Becky will always have a place in my heart. You will be missed. RIP my dear friend. May God's peace be with your family and friends.
