“ I went to work with TVA in the mid-70s. Red was one of my instructors. He was a great teacher and a great friend. He was smart and funny and Red was always our favorite. Most of us left TVA and worked in Nuclear Power all over the country. We haven't seen Red in 40 years yet today were were all texting back and forth about what a great man Red was. That says a lot about Red and the life he lived and the man he was! Rest in peace Red!

“ My condolences to Redford' family. I am so sorry for your loss. I held and will always hold Redford in high regard having worked for him for some number of years. And even in retirement, I would occasionally see him and he was the same. He was Redford.

“ He will always be remembered for his smile that would light up the room and his laugh that had everyone laughing with him. When he talked we listened. He was a great teacher and mentor to many who worked with him. He will be missed.
