“ *One of the finest people ever! He was a quiet man but when he spoke, it was meaningful. My Mom had found out she was very sick and nothing could be done. She was upset. He anointed her with blessed oil. He told her that he was praying that she redirect those feelings for her health battle. To my knowledge, she forgot about those negative feelings and was peaceful until she passed just 6 weeks later. Jesus worked thru Larry. I saw it firsthand. Love to Joyce and Byron and Ashley and all his loved ones. He was a blessing!*
