“ Cant believe he's gone..... bowled with Wayne in our Monday night league. We were all teasing him about how we all wished we could "bowl like Wayne". He was a fun loving spirit with always a smile on his face and a kind word to share. Our bowling lockers were next to each other and we were always in each others way, which gave us time to visit each night. I'll miss him more than he will know. Rick Matthews

“ I'm so very sorry to learn of Wayne's passing. He was a great guy. We bowled in the same league for several years with Wayne and on the same team last season. Thinking of you all.

“ Wayne was a close friend from our days at Gallatin High School (Class of 1965) and he served as best man in our wedding. He was a great guy, lots of fun and will be missed by all who knew him. Our thoughts and prayers are with Pam and the family.

*Wayne and I met at the old Gallatin City Park in 1960 when I was involved in control line model airplanes that we used to fly on the baseball field. During that summer we came to know 2 brothers, Cecil and Al Thomas and by the fall had convinced Wayne that we should form a band with wayne playing drums which he had never touched. We had a great time over the next 4 years playing together in The Marksmen Combo working gigs for all sorts of public and private functions. Even though we were a rock and roll band, we developed contacts in the country music community and played parties for country music artists. and occasionally got to play in the house band on the Grand Ole Opry.*

*I was very sorry to hear of his passing and send my heartfelt sympathies to his family.*
