“ I'm sorry I couldn't make it to the funeral due to the weather. It's hard to let someone go that you love. Richard was special to me. All of the family is in my thoughts and prayers. Richard put up a good fight with his medical problems and always managed to smile even when he was miserable. He lived a blessed life and will live a better one with our Lord and Savior. No more pain or pills. Just happy. Praise God we will see him again someday and I bet he will have his overalls on too. Please let me know if I can do anything for the family. We will miss him.
