“ Will never forget how Fuzz helped me stay employed by unselfishly coming out to my home and fixing a computer problem on my old dos computer. He was such a joy to be around and always side by side with Sharon. Being around them was fun with laughter and joy.

“ Fuzz was one of the most generous people I know. He and Sharon welcomed us into their home when we first moved to the Bay Area, and it was thanks to them that we were able to find a place and get moved over here. He and Sharon continued to be friends over the years. Fuzz will continue to live on in our hearts.

“ Fuzz we all became Friends many years ago at Grand Lanes, you were this funny guy with the great smile and bright blue eyes and could turn anybody's frown upside down. We had some great times on our Party bus trips to Reno. Till this day I will never forget you introducing me to Artillery Men's Punch also known as Muddy Water. The reason being it looked like Muddy Water lol. The first cup was hard to get down but after that it was smooth sailing. I spent all of Friday in my room and didn't make it out till sometime on Sat, I saved my hubby a few bucks that weekend... We hadn't been in each others lives for quite a few years, but as soon as I connected with Sharon again on FB it was like no years had past. I still have the Dime N pendant you made for me, I'm sure there are a few of those around. We Loved you way back then and Love you still you will be Missed Terribly.

“ I had the pleasure of knowing Rich in high school. We spent many hours together in the marching band and the dance band. He always had a smile and a kind word. The best phrase I know of certainly applies to Rich, 'HE WAS A GOOD MAN'. Heaven is a better place because he is there.
GOD BLESS

“ Sharon: My heartfelt sympathy to you and your family. I will always have the memory of Fuzz's infectious laugh and, to, seeing you both together as Butch 'buzzed' his scooter in Luckys supermarket towards you both to share some laughs. Your husband is at peace now and without pain--you must put one foot in front of the other each day now, even though it will be the toughest thing you'll ever do.
