“ *Never Alone*

*I feel you in the morning
When at first I awake
Your thought is with me
With each decision I make*

*You'd been around forever
Since the first breath I took
Now I have to go on alone
But for love, I need not look*

*Cause by what you bestowed
In our short time together
Will last in my heart
Forever and ever*

*Although you've left
And now walk above
I'm never alone
I'm wrapped in your love*

*Enjoy now your long waited reward
Feel peace that your love continues on
What was taught to me, will be taught to mine
Cause you live on in me even after you've gone*

“ *MISS ME BUT LET ME GO*

*When I come to the end of the road
And the sun has set for me
I want no rites in a gloom filled room
Why cry for a soul set free!*

*Miss me a little - but not too long
And not with your head bowed low
Remember the love we once shared
Miss me - But let me go!*

*For this journey we all must take
And each must go alone
It's all part of the master plan
A step on the road to home*

*When you are lonely and sick at heart
Go to the friends we know
And bury your sorrows in doing good deeds
Miss me - But let me go!*
