“ Sending thoughts and prayers to the Peden family. I'm not sure any of you will even see this, but I was looking for another obituary and came across this familiar name. Richard was such a wonderful son and it was a pleasure to get to serve as his mother's nurse for a short time while she was at Nhc in 2012. He took the time to set her tv up to showcase a slideshow of nature photographs he had taken. He was always kind and appreciative. After her stay he went out of his way to give me a certificate of appreciation and a beautiful bouquet of flowers. I still have the certificate and appreciate the impact he had on my life as a young nurse!

“ I worked with Richard at The Plant Lab at Y-12. We sang together at a retirement party, and it was so much fun. He sang a solo that day of "All My Exes Live in Texas." It was GREAT! Peace to his memory.
