“ We loved Rick the first time Donna introduced him to us He taught me how to dance the TN two step at the VFW and coincidentally drank the same beer as Tom. Instant brotherhood. Though miles separated us, our lives were entwined in so many ways. He will be a part of every celebration to come, just as in the past. He had nicknames for all of us and they stuck. Dear cabin property manager you will be missed sorely. Tom and Sue Gervais
