“ *Ricky was a close friend even though we were states apart. He friended me when I first came to Harriman and stayed that way ever since. Mindy, I remember you when I came by to ride the bike and meet the family. Awesome family. May our God bring you all peace and many blessings.*

“ *Hail to the Rescuer of Old Dogs. You choose to bring home from the pound the dogs that were most unlikely to be adopted. I was witness to your love and care of all of them. I know your were greeted by all the babies (young and old) you nurtured. Otis and Crypt will miss their Dad as will your family and friends. I will certainly miss hearing you say, "How ya doing Girlfriend"? 🙏💙🙏*

“ What a character you were Ricky. You will be missed by so many including me. Ride that big bike in heaven with a smile on your face. Love you my friend.

Ricky was the 2nd person I met when I moved to Harriman in the late 70s and was one of the finest friends that I have had. So no more bike rides here, but all kinds when you get settled in Heaven. I know I will see you there. I love ya brother. God's blessings on you and on your family. Peace.
