“ My heart and spirit are with the children (Caryl Hufstettler (George), Alex Alexander and Charles Alexander (Jan)) of my dear sister Roanne Olivia Roseberry Alexander; together with our sister Sandra R. Hovis and other family members who gather today share their love for and say good-bye to her. I cannot be with them, but I have so many wonderful memories of my sweet sister! Most of all, I remember that I passed through my childhood feeling loved and cared about. No quarreling and rivalry, just love in our household. We were blessed to have been born to Christian parents. Ann became a wonderful mother, adored by her children, grandchildren and great-grandchildren and beloved throughout her family. She was a happy person who loved giving of her time and talents to others. To visit her home was to feel cared for like a "mother hen" would care for her chicks. I know that she is in Heaven, for which she yearned, where her husband Charles, their infant son Michael, her parents and Charles' parents are already waiting. Her passing hurts those of us who will miss her until we too will join her. However, I say that this transformation to her heavenly body was a time that she was peacefully awaiting. I would like to leave you with Bible verses that I believe were meant for my sister. "Her children rise up and call her blessed; her husband also and he praises her. Many daughters have done well, but you excel them all. Charm is deceitful and beauty is passing, but a woman who fears the Lord, she shall be praised" (Proverbs 31:28-30) I am also posting the photo made in 2017 that I believe catches real Roanne "happy and at peace".

Bless you 'Annie Boop' (before I could speak well)! I will see you again one day!
