“ We met the sweet man 26 years ago when he married my sister. They were made for each other. There are so many great memories we have shared with them. We will truly miss him more than words can express. We loved him like he was in our life forever. He was a gentleman and a great brother-in-law. He was good to my sister and made her life complete. His family was always nice to us and made my sister feel loved and welcomed to their family. It is a great loss to this world but heaven will certainly be more lively with him there. Love and miss him.
