“ *Robert was a tremendous asset for his leadership and guidance as the General Manager of Sweetwater Utilities Board and for the City of Sweetwater. While serving as Director of Economic Development Director for Monroe County I had the pleasure of working on many economic development projects for both the City of Sweetwater and Monroe County. He was a fine man and he was my friend.*

“ *In my 18 years here in Athens, Robert was easily one of the finest men I've had the opportunity to meet and maybe even play a few rounds of golf with. When I wanted to head up early on Saturday for breakfast, I always knew I'd have someone to sit with. Robert was a fixture at the Brook and will be greatly missed....*
