“ Dear Sweet Betty & Your Family,  
Bob was my very first boss at the "White Store" and oh how I loved him and still to this day 32 years later, whenever I saw Betty & Bob out eating dinner, I always got my big ole hug from him and he'd say "there's one of my girls". That was one man that loved his family, his church, and loved to work. Just a few years ago, I ran into him at the Food City in Kingston and we sat on the bench during his "break" and visited & people watched. I loved him dearly & I know you all will miss him so much. My prayers are with all of you. Much Love. April Stewart Narramore
