“ I remember shopping with Bob when we saw one of the young ladies we worked with in SCC. She stated she was shopping for a gift for her husband a tee shirt press and didn't know how much it cost(before google) lol. so he opened his wallet and gave her \$300.00 and told her to get him a nice one. She couldn't believe he just gave her that much money .. He enjoyed making others happy when he could.
