“ Dear Joyce, I'm so sorry to hear about the death of both Bob III and his father. His father hired me at GAF Corp. in 1967. Your husband was a great guy. I will always remember him as one my role models. He taught me a lot about work and life.

“ Dear Joyce, It has been a long time since our paths crossed at Northminister in Chattanooga. We are living in Knoxville now. We saw the notice of Bob's death in our paper. Immediately, we began to remember your family. Bob surely must have grown into a very special person who loved and was loved by many. Please know that we are thinking of each of you as you walk this valley. May God be with you and all of your family.
